→ DESIGN EXPERIENCE / EMPLOYMENT:

ACTIVERAIN / LOCALISM

As art director and senior designer of this Seattle startup I was responsible for the redesign of both ActiveRain (the most popular social network for real estate professionals, over 100,000 members) and Localism (a gigantic wikipedia for every neighborhood in the United States). I also managed a design team, created advertisements for various products and designed t-shirts.

MICROSOFT

As one of the many graphic designers at Microsoft, I spent most of my time as a UX designer, helping create the Dynamics Live CRM sign up flow. I also spent a lot of time working on the first Microsoft Facebook App, which allowed people to share business cards online. My favorite part was designing the Flash prototype which allowed users to network with peers.

SAIL AWAY / SAILBOAT CHARTER

A freelance design project including full website, logo, brochure.

Working closely with the owner and co-designer, we developed a solution which reflected the overall feel of a small sailboat charter business in both web and print media.

AIGA STUDENT CHAPTER / DIRECTOR OF COMMUNICATIONS

Duties include: facilitating group dialogue through student website and group meetings, also responsible for student website updates and maintenance.

AIGA STUDENT CHAPTER / SECRETARY

Duties include: organization and documentation of student chapter meetings.

MIKE HEATH / ARTIST WEBSITE / PROMOTION MATERIALS

Designed and published a small website for a local artist, also designed flyers for his summer workshops.
